***Launching FLORAL KANCHIPURAM by  
Kalyan Sarees with our diva  
Mamta Mohandas.***

*The new Bridal trend, Floral Kanchipuram silk sarees come in bright fun colours, plenty of floras, some birds and a variety of border styles. Nature inspired floral designs are printed on to bright silk Kanchipurams. The technique used here is rather complex, some are woven into the silk saree, some are digitally printed onto the silk saree.*

*The creativity and imagination of our weavers have no bounds and sky is the limit!!*

*Come celebrate this festive season  
with Kalyan Sarees!*
